Has your dog ever suffered an injury requiring medical treatment? (such as being hit by an automobile, injured by another animal, etc.) ___ Yes ___ No

If yes, please describe what happened.

WAIVER AND RELEASE OF LIABILITY

I _____ acknowledge and accept that my dog _____ (of whom I am the legal owner) will be participating in the dog walking and other related services provided by MonumenTails.

I understand that these services include other dogs of various ages, breeds and sizes, all in close proximity. The walks may take place in public places including parks, and if I elect this option, may include off-leash play at an enclosed public park with other dogs. These activities may involve encounters with persons who are members of the public as well as other dogs and animals who are not participants in the MonumenTails service. I understand that MonumenTails will strive to protect the safety of my dog, but that there are many risks involved that are out of MonumenTails' control. These include, but are not limited to: injury or death to my dog caused by another dog or animal, an automobile or other source; provocation of my

dog by another dog or animal; injury or death to another dog or animal, or a person, caused by my dog; property damage caused by my dog; ingestion of items causing injury or death to my dog. I understand that it is MonumenTails' goal to provide a safe and fun experience for my dog, but that these inherent risks still exist. I also understand that it is my responsibility to be truthful in completing the above information and disclosing any past history of aggressive behavior which my dog has.

On behalf of myself and my representatives, I hereby waive, release, discharge and agree to hold harmless, defend and indemnify Elizabeth D'Oliveira, MonumenTails, and its owners, managers, members, officers, employees, contractors, agents, assigns, and representatives, from any and all liability of any kind for injuries, losses, damages, claims, demands, arising out of and/or related to my dog's participation in walking services and other activities at or through MonumenTails.

In the event of injury or illness involving my dog, I authorize MonumenTails to administer CPR or first aid and/or seek medical treatment if it deems this necessary. I agree that I am financially responsible for any such medical treatment.

The foregoing information is true and accurate, and I will notify MonumenTails if any of the above information changes.
